

(b) Head Start agencies must report in writing to the responsible HHS official within 10 working days of occurrence any of the following events following December 9, 2011:

(1) The agency has had a revocation of a license to operate a center by a State or local licensing entity.

(2) The agency has filed for bankruptcy or agreed to a reorganization plan as part of a bankruptcy settlement.

(3) The agency has been debarred from receiving Federal or State funds from any Federal or State department or agency or has been disqualified from the Child and Adult Care Food Program (CACFP).

(4) The agency has received an audit, audit review, investigation or inspection report from the agency's auditor, a State agency, or the cognizant Federal audit agency containing a determination that the agency is at risk for ceasing to be a going concern.

§ 1307.5 Requirements to be considered for designation for a five-year period when the existing grantee in a community is not determined to be delivering a high-quality and comprehensive Head Start program and is not automatically renewed.

In order to compete for the opportunity to be awarded a five-year grant, an agency must submit an application to the responsible HHS official that demonstrates that it is the most qualified entity to deliver a high-quality and comprehensive Head Start or Early Head Start program. The application must address the criteria for selection listed at section 641(d)(2) of the Act for Head Start. Any agency that has had its Head Start or Early Head Start grant terminated for cause in the preceding five years is excluded from competing in such competition for the next five years. A Head Start or Early Head Start agency that has had a denial of refunding, as defined in 45 CFR 1303.2, in the preceding five years is also excluded from competing.

§ 1307.6 Tribal government consultation under the Designation Renewal System for when an Indian Head Start grant is being considered for competition.

(a) In the case of an Indian Head Start or Early Head Start agency determined not to be delivering a high-quality and comprehensive Head Start or Early Head Start program, the responsible HHS official will engage in government-to-government consultation with the appropriate Tribal government or governments for the purpose of establishing a plan to improve the quality of the Head Start program or Early Head Start program operated by the Indian Head Start or Indian Early Head Start agency.

(1) The plan will be established and implemented within six months after the responsible HHS official's determination.

(2) Not more than six months after the implementation of that plan, the responsible HHS official will reevaluate the performance of the Indian Head Start or Early Head Start agency.

(3) If the Indian Head Start or Early Head Start agency is still not delivering a high quality and comprehensive Head Start or Early Head Start program, the responsible HHS official will conduct an open competition to select a grantee to provide services for the community currently being served by the Indian Head Start or Early Head Start agency.

(b) A non-Indian Head Start or Early Head Start agency will not be eligible to receive a grant to carry out an Indian Head Start program, unless there is no Indian Head Start or Early Head Start agency available for designation to carry out an Indian Head Start or Indian Early Head Start program.

(c) A non-Indian Head Start or Early Head Start agency may receive a grant to carry out an Indian Head Start program only until such time as an Indian Head Start or Indian Early Head Start agency in such community becomes available and is designated pursuant to this Part.

§ 1307.7 Designation request, review and notification process.

(a) Grantees must apply to be considered for Designation Renewal

§ 1307.7

45 CFR Ch. XIII (10–1–15 Edition)

(1) For the transition period, each Head Start or Early Head Start agency wishing to be considered to have their designation as a Head Start or Early Head Start agency renewed for a five year period without competition shall request that status from ACF within six months of December 9, 2011.

(2) After the transition period, each Head Start or Early Head Start agency wishing to be considered to have their designation as a Head Start or Early Head Start agency renewed for another five year period without competition shall request that status from ACF at least 12 months before the end of their five year grant period or by such time as required by the Secretary.

(b) ACF will review the relevant data to determine if one or more of the conditions under §1307.3 of this part were met by the Head Start and Early Head Start agency's program:

(1) During the first year of the transition period, ACF shall review the data on each Head Start and Early Head Start agency to determine if any of the conditions under §1307.3(a) or (d) through (g) of this part were met by the agency's program since June 12, 2009.

(2) During the remainder of the transition period, ACF shall review the data on each Head Start and Early Head Start agency still under grants with indefinite project periods and for whom ACF has relevant data on all of the conditions in §1307.3(a) through (g) of this part to determine if any of the conditions under §1307.3(a) or (d) through (g) were met by the agency's program since June 12, 2009, or if the conditions under §1307.3(b) or (c) existed in the agency's program since December 9, 2011.

(3) Following the transition period, ACF shall review the data on each Head Start and Early Head Start agency in the fourth year of the grant to determine if any of the conditions under §1307.3 of this part existed in the agency's program during the period of that grant.

(c) ACF will give notice to grantees on Designation Renewal System status, except as provided in §1307.6 of this part:

(1) During the first year of the transition period, ACF shall give written no-

tice to all grantees meeting any of the conditions under §1307.3(a) or (d) through (g) of this part since June 12, 2009, by certified mail return receipt requested or other system that establishes the date of receipt of the notice by the addressee, stating that the Head Start or Early Head Start agency will be required to compete for funding for an additional five-year period, identifying the conditions ACF found, and summarizing the basis for the finding. All grantees that do not meet any of the conditions under §1307.3(a) or (d) through (g) will remain under indefinite project periods until the time period described under §1307.7(b)(2).

(2) During the remainder of the transition period, ACF shall give written notice to all grantees still under grants with indefinite project periods and on the conditions in §1307.3(a) through (g) by certified mail return receipt requested or other system that establishes the date of receipt of the notice by the addressee stating either:

(i) The Head Start or Early Head Start agency will be required to compete for funding for an additional five-year period because ACF finds that one or more conditions under §1307.3(a) through (g) has been met during the relevant time period described in paragraph (b) of this section, identifying the conditions ACF found, and summarizing the basis for the finding; or

(ii) That such agency has been determined on a preliminary basis to be eligible for renewed funding for five years without competition because ACF finds that none of the conditions under §1307.3 of this part have been met during the relevant time period described in paragraph (b) of this section. If prior to the award of that grant, ACF determines that the grantee has met one of the conditions under §1307.3 during the relevant time period described in paragraph (b) of this section, this determination will change and the grantee will receive notice under paragraph (c)(2)(i) of this section that it will be required to compete for funding for an additional five-year period.

(3) Following the transition period, ACF shall give written notice to all grantees at least 12 months before the expiration date of a Head Start or Early Head Start agency's then current

grant by certified mail return receipt requested or other system that establishes the date of receipt of the notice by the addressee, stating:

(i) The Head Start or Early Head Start agency will be required to compete for funding for an additional five-year period because ACF finds that one or more conditions under §1307.3 of this part were met by the agency's program during the relevant time period described in paragraph (b) of this section, identifying the conditions ACF found, and summarizing the basis for the finding; or

(ii) That such agency has been determined on a preliminary basis to be eligible for renewed funding for five years without competition because ACF finds that none of the conditions under §1307.3 have been met during the relevant time period described in paragraph (b) of this section. If prior to the award of that grant, ACF determines that the grantee has met one of the conditions under §1307.3 during the relevant time period described in paragraph (b) of this section, this determination will change and the grantee will receive notice under paragraph (c)(3)(i) of this section that it will be required to compete for funding for an additional five-year period.

§ 1307.8 Use of CLASS: Pre-K Instrument in the Designation Renewal System.

Except when all children are served in a single classroom, ACF will conduct observations of multiple classes operated by the grantee based on a random sample of all classes and rate the conduct of the classes observed using the CLASS: Pre-K instrument. When the grantee serves children in its program in a single class, that class will be observed and rated using the CLASS: Pre-K instrument. The domain scores for that class will be the domain scores for the grantee for that observation. After the observations are completed, ACF will report to the grantee the scores of the classes observed during the CLASS: Pre-K observations in each of the domains covered by the CLASS: Pre-K instrument. ACF will average CLASS: Pre-K instrument scores in each domain for the classes operated by the agency that ACF observed to deter-

mine the agency's score in each domain.
